- I understand that restrictions on credit for Open Campus courses in undergraduate and graduate programs are set by colleges, graduate and credential programs. Prior to enrolling in Open Campus courses, I must confirm transfer limitations with the appropriate school or college-at UC Davis or another institution. Further, I am aware that I must provide a UC Davis Continuing and Professional Education transcript of Open Campus coursework when applying for admission or readmission to UC Davis.
- I understand that the UC Davis General Education Requirements (Fall 2011 and on) indicate that all courses may be taken for P/NP to fulfill GE requirements. (For additional information on ELWR and GE Requirements, please refer to <https://ucdavis.pubs.curricunet.com/Catalog/undergraduate-education#ge>).
- I understand that if I stop attending a course, I must formally withdraw through Continuing and Professional Education by the published deadline or receive a failing grade for the coursework completed.
- As an Open Campus student, I realize that I am responsible for knowing all deadlines and returning all necessary forms, petitions and fees in person on or before the dates listed on the calendar (see [cpe.ucdavis.edu/open-campus](http://cpe.ucdavis.edu/open-campus)). I understand that Continuing and Professional Education will provide my student information to the course instructor and the academic department.
- I understand the campus policy and the expectation to provide proof of vaccination within 48 hours of enrollment confirmation. Until such time as I have an approved enrollment, I agree to follow all the guidance for Visitors. I agree to comply with all campus policies.
