

“If I had to do it again,
I’d choose UC Davis
Continuing and
Professional Education.
No question”

–Terri Taylor, Accounting certificate graduate

ACCOUNTING PROGRAM

About Our Program

With individual classes and two certificate options to choose from, our Accounting Program offers comprehensive training options that will help take your career to the next level. Approved by the UC Davis Graduate School of Management and taught by professionals in the industry, our courses provide UC-quality, real-world education you can use immediately in your job.

- **Experienced instructors**—Learn from current and veteran accountants, auditors and CPAs
- **Practical training**—Class projects and case studies provide dynamic education in theory, best practices and legal considerations
- **CPA exam**—Thinking about taking the CPA exam? Our courses count towards CPA academic requirements
- **Built for working professionals**—Online courses and streamlined certificates maximize your learning potential in a minimal amount of time

INDUSTRY FACTS

Accountants earn an average salary of \$61,696 per year and CPAs earn \$77,281 per year
