—Bureau of Labor Statistics
Your Academic Path

Total Rewards

3 quarter unit academic credits, X416.3; 30 PDU hours
Typically offered: Fall, Spring

Employee benefits are an essential part of the overall compensation package, and a major determining factor for choosing one organization over another. In this course, you’ll learn how to strategically manage employee benefits, including core health and ancillary benefits such as life, dental, vision, employee assistance, disability and medical insurance plans. You’ll also gain an overview of relevant laws, including the Affordable Care Act, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and more.

Talent Management

3 quarter unit academic credits, X452.2; 30 PDU hours
Typically offered: Fall, Spring

Talent management is a set of skills to provide continuous talent development to improve morale, company outcomes and personal fulfillment. In this course, you’ll learn insights, frameworks and tools to effectively manage and develop talent in organizations. By the end of this course, you will understand methods for assessing the effectiveness of talent development programs and the critical role effective communication plays in every process.

Employment Law

3 quarter unit academic credits, X422.25; 30 PDU hours
Typically offered: Summer, Winter

Effective HR professionals have a strong understanding of the many labor and employment laws that impact the workplace in California. This course focuses on labor-management relations, including laws concerning collective bargaining in both the private and public sectors. Through lecture and interactive class discussion, you’ll learn federal and state laws regarding wages, anti-discrimination, employee leave and other laws applicable to California’s workforce, like the CFRA and FEHA.

Talent Acquisition

3 quarter unit academic credits, X424.1; 30 PDU hours
Typically offered: Summer, Winter

An organization’s effectiveness is directly related to the caliber of its employees. This course will introduce you to strategies and practices for successful recruitment and selection as well as the legal requirements with which you must comply. Topics include job analysis, developing marketable job postings, recruitment and selection, onboarding, behavioral interviewing, candidate assessment and more. You will also get hands-on experience using various recruiting tools and industry leading technologies.
